## A Learning Culture

Learning does not happen only inside the classroom; at Blue Valley we teach our students to challenge themselves to be independent and lifelong learners. Isla Sabet, Prep B student, recently walked into the library and told our librarian (and published author), Mr. Klempler, "I have written a book." She then handed him a six page book which she wrote and illustrated herself at home. Isla's lovely book is now on display in the library above the book balcony shelves.

Way to go, Isla!

## Forming Citizens

No formal Wednesday lecture until May 24th. Tomorrow, the day has been set aside for the Academic Fair.

## Parents

### Requesting Meetings

Please remember that our open door policy with parents is very important to us. We ask that parents kindly make appointments to talk with teachers during their scheduled planning time instead of going directly to their classrooms for informal conversations during instructional time.
