

December Fest

WEDNESDAY, DECEMBER 6TH FROM 10AM TO 3PM
OUR NEW MULTI-CULTURAL HOLIDAY TRADITION.

Promoting Start-ups!

Incorporating 21st century skills and STEAM (science, technology, engineering, arts, mathematics) into our academic programs has given momentum to entrepreneurship. Last Thursday, students in 8B demonstrated their creativity in the *Inventoria* by presenting personal inventions and sharing their conceptual process. In 10B, Juliana Quesada already proved to be an excellent entrepreneur with her own business *Mal de Ojo*. Her original and trendy designs include handmade necklaces, t-shirts, bracelets, and swimwear. During IB Business Management classes, she collaborated with her classmates to define a marketing strategy to boost sales. They even created a 3D logo in the *Inventoria*. You can look for her brand on Instagram by following [@maldeojos](#)! Much success, Juliana! Great work, teammates and teachers; in 8B, Ms. Cordero, Ms. Gómez, and Mr. Tercero; in 10B, Ms. Villalobos!
