### CHANGE IN TRAFFIC FLOW

**Thank you for all of the positive feedback we have received regarding the lane changes at the Kiss and Drop entrance.**

**Our goal is to reduce wait times when dropping off and picking up. Also, to provide space within the school premises for waiting cars. In regard to student's riding in the front passenger seat, we request that you please move those students to the back seat so that they may exit and enter on the left-hand side of the car, therefore eliminating any safety risks.**

**Thank you for your cooperation as we work together to improve and strengthen our community.**
