WOW 😊

Nicolás Mestayer and Daniel Hidalgo, 2B1, showed empathy to an injured classmate who could not play soccer like they did everyday. They both decided not to play and accompanied their friend during lunch.

What a strong sense of fellowship!

Alma Wasserstein, 4A-1, demonstrated listening with understanding and empathy when she helped a friend look for her eyeglasses during her free time. She explained to her that she was not alone and that everything was going to be okay. Very nice!
