WOW'S

Gabriel Montoya, 3B2, showed empathy and flexible thinking during "Twins Day". A student was wearing the regular uniform and was upset that he did not come as a twin. Gabriel, who also happened to be wearing his uniform, went up to the student and asked him if he wanted to be his twin, making him feel included in the celebration of BVS's Spirit Week!

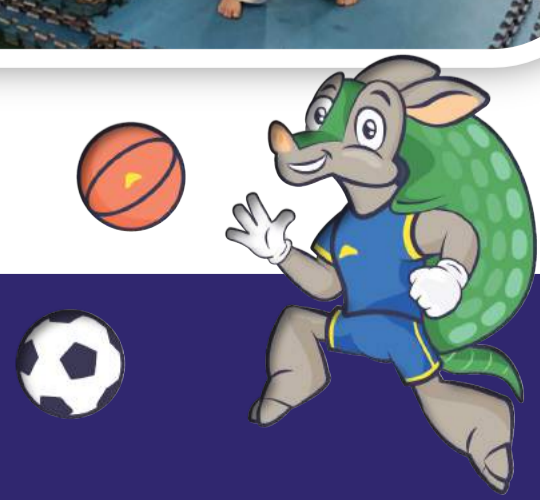

Yann Lacayo, 5A1, demonstrated empathy during his lunchtime. He was spotted helping the little ones eat their food even though he didn't know them.

STUDENT SPOTLIGHT

Congratulations **Konrad Fischel, 5A-1,** for winning first place overall and in his category at Punta Leona's Open Sea Event, in the 400 mts swimming competition. Keep it up!

Danna V. Sánchez, 2A1, fought three times in the karate tournament, "Little Warriors" winning first place. Congratulations!
