Thank you NHS and NJHS!

The NHS and NJHS joined forces during Book Month's movie night to sell baked goods, popcorn and refreshments. All the money raised was donated to a seven-year old boy with a genetic heart defect, Juan Pablo, in need of surgery in the United States. We donated \$135,000. Thank you for the contribution!

WOW 😊

Benjamín López, PrepA-2, showed

empathy and understanding when he helped a sad classmate feel better. Benjamín gave him a pep talk on their way back to class that helped him calm down, and that made the difference!

Matteo Canella, 5A-2, demonstrated

listening with understanding and empathy, and thinking interdependently when he encouraged his classmates to work together to come up with solutions and create their book month poster.

SPORTS

Congratulations to our PE teacher, Ms. Iglesias, who lead the female national basketball team, U16, to winning third place in the Central American and Caribbean Games held in Guatemala.
