

UNIFORMS

In hopes of offering better services, BVS in collaboration with ASEBVS, has been working on improving the quality of the school uniforms and implementing a new purchase system.

- We have a new provider for physical education uniforms which will allow us to offer better quality and prices.
- We are also working with a new provider to change the sports teams' uniforms and be able to provide better quality, prices and prompt delivery.
- For your comfort and to ease the process of placing orders from our new vendor, we have created a form where you can complete early orders making a payment of 50% of the total amount. We will only accept orders via this form and not in the store, as well as only execute the orders that have the information confirming the 50% deposit. To access the form please click [here](#).

The final date to place the orders for FS2019 has been changed to June 17th by, 3:30 pm.

We are also offering sales of 40% to 60% off from former vendor physical education products. To view prices, click [here](#). You may stop by ASEBVS to purchase sale products while supplies last.

LET'S LEND A HAND

Thank you to all BVS community!

Today is Prostate Cancer Awareness Day, and the National Honor Society wishes to thank all of those who bought pastries and bracelets last Thursday to support APRECAP. We were able to donate \$145,725 for patients with low income. Thank you for your solidarity!

Bake sale for "Lifting Hands"

Thursday, June 13th

Raaina Gulati, 9B, is organizing a bake sale to raise funds for "Lifting Hands", an organization that benefits children under social risk in Los Anonos. Raaina voluntarily coaches children 4-7 years old who play soccer and live in this community. She wants to use the money raised to buy materials for this cause. This is a one student initiative that we can all support to make a difference in the lives of these children!

Wow's

Javier Lozano, 3A, took it upon himself to make props for his class for their Wednesday assembly. He went home, gathered the necessary material, created hats and 3D atom models out of foam, and nicely painted and labeled them. He surely took a responsible risk and innovated!

Amazing job!

Sports

Go Armadillos!

Congratulations to BVS soccer player, Santiago Van der Putten, who has been called in to play with Costa Rica's national soccer team, sub 15. Way to go!

A Special Request from Volvo

All of our students in sports Teams and Clubs wear uniforms sponsored by Volvo. The company is interested in taking pictures to share worldwide in their meetings, social media, and reports, as a way to show and back the investment. As a thank you for their constant support, BVS will be helping them in collecting an authorization form to allow them to take the pictures. Click [here](#) for the form. Once signed, please make sure to hand it to the P.E. teachers.
