Forming Citizens - Global Citizenship

Wednesday, November 6th
We will continue with last week's theme, discussing Gartner technology trends.

WOW

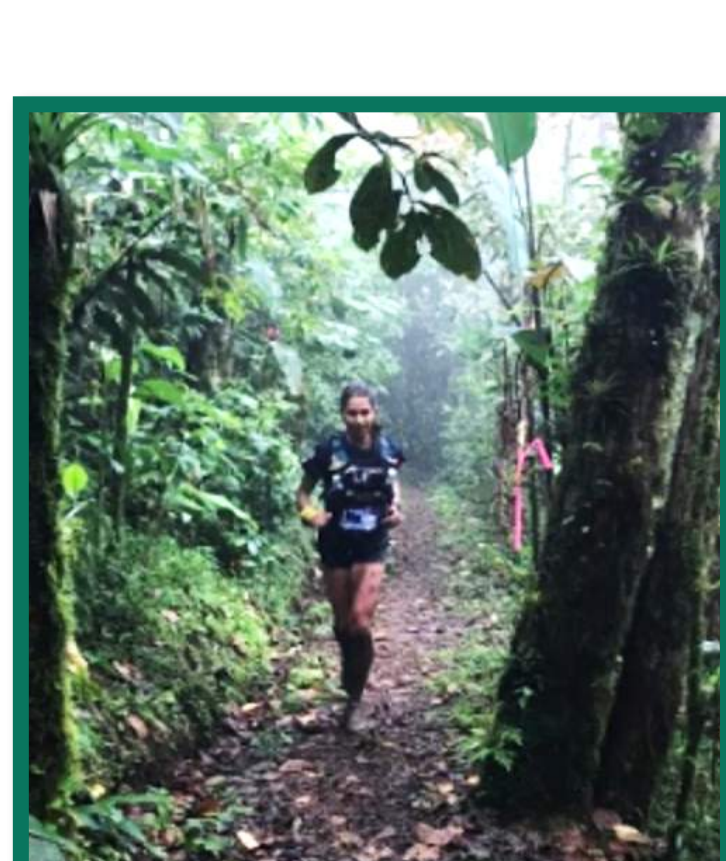

- **Fabiana Román, 4A1**, always helps Ms. Tomás clean the classroom and put materials back in place, expecting nothing in return. How caring!
- **Lucía Muñoz, 1B2**, stopped the children who were laughing at someone else's misfortune, helping and defending the student. What a great example of empathy!
- **Carlota Jiménez, PrepA1**, always stays quiet at dismissal, patiently waiting for her mother to come pick her up. She is a role model for others!
- **Giuliana Carias and Camila Izazaga, 2A2, and Alonso Izazaga** in Early Learning School started to help put away the decorations for the concert, as soon as they all realized it had to be done quickly due to early dismissal on Wednesday. How thoughtful and cooperative!

STUDENT SPOTLIGHT

- Congratulations **Valentina Guevara, 4A1**, medalist in the **swimming competition**.
- Congratulations to **Ms. Ashton**, who received a medal for **6th place** in a **50 km race** which took 9 hours to complete!
